

DEMONSTRATION

See for yourself how a live, **instructor-led** Crystal Reports training class uses state-of-the-art web conferencing technology (GotoMeeting) to make online training just as effective as traditional classroom training. You will also see why Crystal Reports is considered the best reporting software on the market.

BENEFITS OF ON-LINE TRAINING

- Hands on exercises are performed throughout the class.
- On-Line classes are more cost effective (Saving of \$300+ per student, compared to traditional classroom cost).
- Students can watch the instructor help others with issues that arise during class.
- Free Support (*limited - see Support tab for more details*) - When you have problems or issues after class, send them to our support analyst. We're here to help after the class.

DEMONSTRATION HIGHLIGHTS

The demonstration should last from 15 to 20 minutes.

- We will demonstrate how easy it is to take an **Instructor-led** interactive on-line training.
- Watch us create a Crystal Report and see how to sort records, filter information, and use automated features to create sub-totals, counts, averages, grand totals.
- See drill-down reporting
- How to export your Crystal report to PDF, Excel and other popular formats
- Ask all your questions on what Crystal Reports can do.
